

2024-2025 KENTUCKY ANGUS AUXILIARY

The Kentucky Angus Auxiliary is an organization of women who are passionate about our breed and working together to provide opportunities for our Kentucky Angus Juniors. In doing so, we develop friendships and enjoy the fellowship with other women who share our love of Angus cattle.

Whether we are crowning the Kentucky Angus Queen & Princess, awarding our annual Ladies of the Bluegrass Scholarship, or providing money to a Junior to attend LEAD, your Kentucky Angus Auxiliary is working to support those who will be the future leaders of the Angus breed.

We invite you to join us and get involved in helping us to promote the Angus industry and work toward developing our youth into tomorrow's leaders
